Field Descriptions (F12) indicates code lookup is available.

CAPS ID
This field will display the CAPS ID of the client who was entered on the CPHL (Client Placement History List) screen.

NAME
This field will display the name of the client whose ID is displayed in the CAPS ID field.

PROVIDER/FACILITY (F12)
Enter the provider number for where the child is placed. *Pressing F12 will access the PROS (Provider Search) screen. Enter the provider name and press enter to access the PROL (Provider List) screen. Select the appropriate provider with an "S".*

ADDRESS
This field will display the address for the selected provider/facility.

PHONE
This field will display the phone number for the selected provider/facility.

PERMANENCY GOAL (F12)
This field will display the most current permanency goal for the client. *This information comes from the most recent review on the IARL (Initial Assessment and Review List) screen.*

PLACE START DATE
Enter the date the placement started.

PLACE EXIT DATE
Enter the date the placement ended.

IN CARE OVER 24 HRS (F12)
If the *PLC CHANGE/DISCHARGE* field is being entered with 'D', enter a code to indicate if the placement was for 24 hours or more, per policy.

CHILD IN PLCMT DUE TO PARENTAL OR CARETAKER DRUG USE FROM WHERE CHILD WAS REMOVED
If this is the first placement for the client (or there was a break in placement), enter "Y" (yes) if drug use was a primary or substantial factor leading to the foster care placement. Enter "N" (no) if drug use was not a primary or substantial factor leading to the foster care placement. *If this is a subsequent placement, this information will default from the previous placement upon pressing ENTER.*

DRUGS (F12)
If the "CHILD IN PLCMT…" flag is marked "Y", enter the codes for the drugs involved. *You can enter up to nine codes.*

LICENSE TYPE (F12)
Select the license type this particular placement is associated with. *Pressing F12 will access the FALL (Facility Approval/Licensing List) screen. Select the appropriate license with an "S".*

STATUS (F12)
This field will display the current status for the selected license.

ASSOC DT
Enter the date the license association begins. *For the initial association, this will be the same as the start date of the placement. If a new license is entered for the provider, that license will need to be selected and the association date will be the issuance date of the new license.*

PROX TO HOME (Y/N)
Enter "Y" (yes) if the placement is in reasonable proximity to the child's home. Enter "N" (no) if the placement is not in reasonable proximity to the child's home.

PROX CMT

If the PROX TO HOME flag is marked "N", comments are required to explain why that placement was chosen. *In most cases, it is because this was the closest placement available for the client's service needs or services were not available in community.*

PROX TO SCHOOL (Y/N)
Enter "Y" (yes) if the placement is in reasonable proximity to the child's school. Enter "N" (no) if the placement is not in reasonable proximity to the child's school.

PROX CMT
If the PROX TO SCHOOL flag is marked "N", comments are required to explain why that placement was chosen. *In most cases, it is because this was the closest placement available for the client's service needs or services were not available in community.*

COMMENTS
Enter any general comments you want to make about the placement.

PLC CHANGE/DISCHARGE
When closing the placement, enter "C" (change) if this is a placement change or "D" (discharge) if this is a placement discharge. *"Discharge" is discharge from foster care. So, if you are closing PLAD because you will be opening a guardianship or adoption placement that is still a discharge. If the client is going from one foster care to another foster care, that is a change.*

EXIT REASON (F12)
Enter the appropriate exit reason. *This list of codes will be different based on if you entered "C" or "D" in the PLC CHANGE/DISCHARGE field.*

PLACEMENT STATUS CD (F12)
This field will display the code and partial description of the most current placement status for the client.

START DT
This field will display the start date of the current placement status.

END DT
This field will display the end date of the current placement status (if the status is still active, this field will display 99/99/9999.)

PLACING WORKER ID
This field will display the C number and the name of the worker who entered the placement.

Additional Information

In order to add a placement, a removal service must first be entered on the SERN (Services Detail: Non-Payable) screen. *If a client is going from one placement to another placement (no break) then a new removal service is not necessary*.

Workers will receive an alert on the ALER (Alerts) screen if a provider has a new license. PLAD should be checked to ensure the placement is still associated to the correct license.

Press SHIFT + F1 to access the PLSH (Placement Status History) screen.

Press SHIFT + F2 to access the LICH (Placement License History) screen.
